

CERTIFIKAT

No. SC0935-11

Shut-off valve *Högfors* for district heating or district cooling systems

Holder / Issued for / Manufacturer

Högfors Oy, P.O. Box 13, FI-24101 SALO, Finland

Product name

Högfors Butterfly valve 31300 series

Product description

Butterfly valves in sizes DN 200 - DN 1200, as shown in the appendix to this certificate.

Certification

The product described here fulfils the requirements in SP's *Certification rules for P-marking of shut-off valves in district heating and district cooling systems, SPCR 145*, and also the requirements set out in the Swedish District Heating Association's document *Certification of valves, test and inspection requirement, no. D:210*.

The valve is tested and approved for flow in one direction. The valve meets the rate A requirements for tightness in accordance with EN 12266.

Associated documents

- "31300 ENG Product sheet", edition 09-03-2011
- "31300 Installation and maintenance instruction", edition 20-05-2010
